2. Head over the cattle grid and follow the path round. Where the path forks and there is a bridge to your right, keep left here going past a farm building directly on your right.
3. Take the left-hand path which ascends up to a gate, eventually bringing you out at the back of Bays Brown campsite.
4. Keeping the campsite and its farm buildings on your left, stick to the path which eventually becomes an undulating road bringing you out at The Eltermere Inn.
5. Turn left and head back to Elterwater village. Complete a loop of the village to make this run just over 4 miles.
